

Technical modifications

A. Model 124

Designation	Type and reason for change	Date of implem.	Op. no.
Foot parking brake control switch	Direction of assembly changed to facilitate assembly	05/87	42-0510
Brake discs with internal ventilation	Increased service life, improved comfort, models 124.003/004/023/043/083	07/88	42-0220
Front brake cable	Plastic clamping ring to facilitate assembly	07/88	42-0510 42-0520
Parking brake ratchet segment	Improved convenience through changed release handle and changed ratchet segment (18 notches, previously 13)	12/89	42-0510 42-0540
Brake discs with internal ventilation	Increased service life, improved comfort, model 124.10	10/90	42-0220
Brake shoes of parking brake	Reduced noise (rattling)	07/92	42-0530
Larger front brake discs	Increased service life, improved comfort, model 124.034	10/92	42-0220
Larger front and rear brake discs	Increased service life, improved comfort, model 124.036	02/93	42-0220 42-0228
Switchable master brake cylinder	Increased service life of brake linings/discs, improved comfort, model 124.036	02/93	42-0310 42-0315
Larger front brake discs combined with direction of rotation	Increased service life, improved comfort, model 124.034	03/93	42-0220
Brake carrier for floating caliper	Mount of pin in brake carrier, reduced noise (rattling)	04/93	42-0110
Larger rear brake discs	Increased service life, improved comfort, model 124.092	04/95	42-0228 42-0150

B. Model 201

Designation	Type and reason for change	Date of implem.	Op. no.
Parking brake adjustment wheel	Number of teeth increased from 8 to 15 for better adjustment	04/84	42-0540
Stop lamp switch	Plug-type, same as model 124	05/85	42-0040
Parking brake lever	Number of notches on ratchet segment 12 (previously 8)	02/87	42-0510 42-0540
Changeover to asbestos-free brake linings	Changed legal requirements	12/87	42-0160
Brake booster changed over from 8" to 9"	Increased servo support of braking force	09/88	43-0325
Rear brake caliper	Brake caliper from model 124 to improve comfort	03/90	42-0120
Parking brake shoes	Reduced noise (rattling)	07/92	42-0530
